

Mrs. Debbie Franko

Debbie and her husband have two sons who are graduates of St. John School. As a parent, Debbie volunteered for lunch/playground duty and also helped in the library. After volunteering in the library for a few years, she had the opportunity to apply for the librarian position. She has now been the librarian for six years.

Our library serves grades kindergarten through 8th. Children in grades kindergarten through fifth come to the library every week. Our middle school students have a study period in the library every other week. Debbie coordinates a reading program with Pizza Hut for grades kindergarten through sixth. Debbie has also been working to replace the huge volume of old and worn books the library is stocked with. Since all library funds come through fund-raising efforts, she took over the Box Tops program her second year as librarian (later, Kathy Arteaga volunteered to run the program for her and is doing a fantastic job!). Debbie also chairs a book fair every year.
