

Ms. Judy Nies

Ms. Judy Nies is the Technology Coordinator and Middle School Computer Teacher at St. John the Baptist. While her present role is teaching Middle School Computer classes, many of Judy's previous years were involved teaching Junior High math and computer science. When St. John the Baptist went to the Middle School concept, Judy's responsibility was teaching grades 6-8 math, one class being an Algebra class.

Judy has a B.S. Degree in Mathematics from Purdue University Calumet in Hammond. She received her M.S. Degree in Mathematics from Indiana State University. Her post-graduate classes were taken at both the University of Dayton and Purdue Calumet. Judy's teaching experience spans 36 years.
